Re: Paramount Panels new location

Dear Customer

It is with great pleasure that I write to inform you that on 29th March, Paramount Panels UK will be fully operational in our new location a few hundred yards from our existing facility. This factory has been re-purposed to our design to ensure it will suit the needs for Paramount Panels for many years to come. We have been looking for a new facility for over a year and feel very fortunate that we managed to secure a location so close to our existing factory. This was the main aim for us as it ensures no disruption for our staff's commute and zero impact for you our customers.

Can you please update your records accordingly with our new address:

Paramount Panels UK
5 Dundee Way,
Enfield,
Middlesex
EN3 7SX

Our telephone numbers and email addresses are unchanged.

We will close our present facility on Friday 19th March at 13:30 to facilitate the smooth transfer into our new facility and re-open at our new address as detailed above on Monday 29th March at 08:30.

Though our business, including our emails and telephones will be fully operational throughout the relocation process.

We would like to thank all of our customers for your support over many years and we look forward to continuing the relationship into the future, and we warmly welcome our many customers to visit our new facility in the near future.

Yours Sincerely

David Roke
General Manager
